

HOW DO CONTRACEPTIVES WORK?

NAME _____

Create a color-key code using colored pencils in the left column of the table. Illustrate where each contraceptive goes or what protection it offers to the female using your color-code.

COLOR CODE	CATE-GORY	CONTRACEPTIVE	DESCRIBE PROTECTION OFFERED	% EFFECTIVE
		The Pill		
		I.U.D.		
		Diaphragm		
		Condom		
		Female Condom		
		Spermicide		
		Vaginal Ring		
		Injection		
		Implant		
		Emergency Contraception		
		Tubal Ligation
